Letter No.75 dated 13/14th November 1927 from the Agent of the Jaghirdar of Yelandur, Bangalore to the Muzrai Commissioner, Mysore Through the Deputy Commissioner, Mysore District

"I have the honor to submit the following report on the [illegible] administration of Sri Pillgrimangaswami temple in the Yelandur Jaghir, together with the Statements (1 to 5) of income and expenditure of the institution for the year 1926-27.

2. The opening balance at the beginning of the year under report was Rs.1320-1-8 which together with the income of Rs.8801-15-1 during the year, amounted to Rs.10310-1-9 while the total expenditure amounted to Rs.9513-9-2 leaving a balance of Rs.796-8-7 at the close of the year as shown in statement No.1.

3. The items of income as compared with the figures of the previous year are shown in statement No.2.

The total income for the year under report was Rs.8801-15-1 as against Rs.9221-13-3 showing a net decrease of Rs.231-14-2. The decrease under Seva offerings was due to the fact that at the time of the car festival, the attendance of pilgrims was restricted to some extent owing to the scare of Elephants and Water difficulty on the Hills.

4. The expenditure incurred during the year under different heads as compared with that of the previous year is shown in statement No.3.

The total expenditure for the year of report was Rs.9513-9-2 as against Rs.9693-12-5 showing a net decrease of Rs.180-3-3 The increase under miscellaneous was chiefly due to two items of expenditure viz. Repairs of temple kitchen and wages paid for making silver [illegible] parinayapeetah.

5. Statement No.4 & 5 respectively show the loan account, the demand collection and balance of the temple for the year under report.

The collection of land income (items 1 and 3) appears to have been rather slack. The large amount of contribution (item 8) due from the ryots on account of Gowdahally tank restoration work, is held up on some groundless takrar. The Tadagavadi decree amount (item 6) is being receovered in istalments of Rs.500/- per annum.

6. The Sankararti car-festival and the Maharathothsavam were duly conducted on 15-1-1927 and 17-4-1927 respectively, the realisations being Rs.450-15-7 as against Rs. 452-7-6 for Sankararti, and Rs.1722-3-4 as against Rs.1648-3-6 for Maharathothsavam in the previous year.

The reasons for the decrease of income are mentioned in para 3 above.

The necessary sanitary and Medical arrangements were made as usual on these important occasions, and facilities for water supply were also provided. The pilgrims found sufficient accommodation in the -- chattram and the stone Mantaps on the hills. Hutting meterials were -- supplied free of cost to such of them who were in need of separate -- accommodation.

There were in all 33 mantaps in use as in the previous year and no earnest attempt appears to have been made by the parties concerned to complete the remaining 12 mantaps during the year of report.

7. Feeding arrangements in the Jaghirdar's chattram on every ----- Saturday and also on special occasions were conducted as usual ---- throughout the year, under the supervision of the Amildar and other - Jaghir officials.

8. The repairs of the kitchen attached to the temple was completed at a cost of Rs.256/- and an estimate for necessary repairs to the kalyani was also sanctioned during the year under report.

The progress in the construction of the store room and the -- Yagasala has been retarded owing to lack of funds to the credit of the temple. These works require heavy expenditure and will have to be -- taken up when funds permit. But in the meantime separate places have been allotted to serve the purposes temporarily.

The Sankaranthi Car is another big item of work which has to be undertaken during the current year if possible.

9. A primary school was started in November 1926 for the benefit of the children residing on the hills, on promise of a Government grant of Rs.7/- per mensem ~~xxx~~ by the then Assistant Inspector of Education, the Jaghir contributing Rs.8/- to make up Rs.15/- for a teacher. The --- question of Government grant is still under correspondence and it is hoped the grant will soon be forthcoming.

10. The Jaghirdar and myself visited the temple in June 1927 and found the ~~xx~~ conduct of affairs satisfactory."
